Note to customer

Services provided in response to Oregon 811 locate requests within Mapleton Water District service area.

Due to absence of tracer wire, advanced locating methods (including Ground Penetrating Radar and/or acoustic locating) are required and incorporated into pricing.

Pricing is based on per utility line, per 250 linear feet. Water and sewer are billed separately when both are present within a ticket.

Travel (approximately 45 minutes each way) is included in the above rates.

Tickets must be assigned with full two business-day notification to ensure compliance with Oregon 811 requirements and scheduling.

This estimate applies to routine 811 locate requests. Large-scale projects or special services may be quoted separately.

Upon approval of this estimate, a formal service agreement will be provided outlining full scope, terms, and conditions.
